Their performance is a tribute to one of the greatest ever. Doing so they not only play the Instruments that define Bluegrass. Bluegrass Cash convinces with footstomping Rhythm, virtuoso Solo and harmonising vocals. On occasion with actress/singer Kikki Geron as Special Guest.

They share their joy for playing with their Audience and take them on a trip through the Repertoire of Johnny Cash.

WESTFALENPOST November 2022: Second Band was "Bluegrass Cash" who exclusively had songs of the Country Legend Johnny Cash in their repertoire. With their fantastic harmony vocals and classic instruments banjo, fiddle, mandolin, bassfiddle and guitar they instantly impressed their audience hitting all the right notes.
